Senior Capstone
Essay Part II - Research

_____ 1. Finish Project Template through "Vision."

_____ 2. Turn this in to turnitin.com.
   - ✓ Each person must turn in his own copy.
   - ✓ ONE hard copy must be turned in for the entire group.

_____ 3. Each person must find and save her own two articles that provide information about the project's focus.

_____ 4. Each person must complete a "Source Credibility" form for each source. If a source turns out not to be credible, that source should be replaced with another credible source. The new source must also have a "Source Credibility" form completed.
   - ✓ Each individual must turn in two "Source Credibility" forms to the instructor.

_____ 5. Each person must read and highlight or annotate his articles. This information will be used in step number six.

_____ 6. Each person must add at least five bullet points of quality research information to the Project Overview template, making sure to include the URL and his own name. Each individual will earn a grade based on the number and quality of the bullet points.
   - ✓ Each individual adds a total of at least ten bullet points to the template.
   - ✓ Each bullet has the URL and the individual's name.

_____ 7. Each person will be evaluated based on her own "Source Credibility" forms.
   - ✓ Each individual must turn in one "Source Credibility" form for EACH source.

_____ 8. Create a "Bibliography" page that includes all group sources. Each individual is responsible for the accuracy of his own form. You can refer to OWL at Purdue for paper guidelines. MLA format is being required.
   - ✓ Each individual must turn one copy in to Turnitin.com.
   - ✓ Each individual must turn one hard copy in to the instructor.

_____ 9. Each person must write her own rough draft of the project report using the information that your group has gathered. Make sure to use parenthetical notation (in-text citations) whenever you use someone else's idea or information from the research.
   - ✓ Turn in the rough draft of your research in to Turnitin.com.

10. Use the Turnitin.com grammar and conventions check to revise your paper.

11. Have another student peer edit your paper using a "Peer Editing" form.

12. Each individual must turn in a final copy of the research report including the bibliography page.
    - ✓ Final research w/ bibliography – hard copy
    - ✓ Final research w/bibliography – turnitin.com
